Where necessary, may also request consent from parents and carers to consult with a student's medical practitioners, to assist in preparing the plan and ensure that appropriate staff understand the student's needs. Consultation with the student's medical practitioner will not occur without parent/carer consent unless required or authorised by law.

Student Health Support Plans will be reviewed:

when updated information is received from the student's medical practitioner when the school, student or parents and carers have concerns with the support being provided to the student

if there are changes to the support being provided to the student, or on an annual basis.

The confidential medical information provided to Port Phillip Specialist School to support a student will be:

recorded on the student's file

shared with all relevant staff so that they are able to properly support students diagnosed with medical conditions and respond appropriately if necessary.
